**Based on the comments and suggestions of the feedback, necessary actions were taken.**

- Depending on the feedback report, the college authority took steps to improve smart classrooms, providing internet facilities in the college campus.
- The college authority also improved the existing digital conference hall so that teachers might use it for audio video presentations. Also it is made open for students so that they practice and give presentations and seminars.
- New desks and benches provided in the classroom for students.
- New practical instruments were added in the laboratory
- Depending on the feedback on teaching methodology, the academic authority directed the teachers to use smart facilities to full extent for the betterment and easy understanding of students.
- New skill based courses were introduced as a part of syllabus
- In September, 2024 AddOn course was introduced in the department of Assamese in Assamese DTP.
- More drinking water facilities (Water purifier) provided. Also, enhance the existing facilities by groundwater boring, regular cleaning of water tanks etc.
- Declaration and display of internal assessment marks were made on timely basis
- New books has been added in the library
- Steps taken on proper cleaning and beautification of the college campus
- More Career counseling and guidance programs were conducted
- New table and chair provided for teachers
- Microphones and speakers were provided so the teachers can properly teach in large classroom that full of students
- As per the instruction of affiliated University, teachers are allowed to set up question papers of certain subjects.
- A Digital Learning Cell was created to guide the students regarding the online courses on SWAYAM and MOOCS platform.
