**TO WHOM IT MAY CONCERN**

This is to inform you that Sonari College strictly follows the reservation regulations stipulated by the government. After providing admission to students of the General Merit List, the admission of students included in the reservation quota is carried out. However, it is seen that applications from students belonging to the OBC category is very numerous and exceed the number of seats reserved for them. On the other hand number of applications from the ST and SC category is notably less. Therefore, a number of seats of these two categories remain vacant. The college therefore provides admission to the additional number of OBC students in these vacant seats. This additional intake is hereby approved for the period from 2018-2023.
