

Report of the Seminar held on 13.10.2020

A National Webinar on “Smartphone as a Tool for Unmet Social Needs in Resource Limited Settings” was organised by the Department of Physics, Sonari College on 13th October 2020. Dr. Bimal Ch. Gogoi, Principal, Sonari College Inaugurated the webinar. Dr. Iftak Hussain, Post Doctoral Scholar, Dept. Of Bio-Medical Engineering, Vanderbilt University, United States was the resource person of the webinar. The programme was ended following the vote of thanks offered by Dr. Lindy lou Goodwin, Assistant Professor, Department of History, Sonari College, Sonari.

The poster is for a one-day national webinar. It features the Sonari College logo at the top left. The title is in large, bold, red letters. Below the title, it says 'Organised by: Department of Physics, Sonari College'. A circular portrait of Dr. Iftak Hussain is shown with his title as the resource person. To the right, there are four portraits of other participants: the inaugurator, Dr. Bimal Ch. Gogoi, and two associate professors. At the bottom right, technical details and contact information are provided. A 50th anniversary logo is also present.
