

Report of the Seminar held on 20.10.2022

A cyber security awareness workshop was organized by Dept. of Higher Education, in collaboration with Sonari College on 20.11.2022. Mr. Biju Pegu, a tech entrepreneur and the CEO, Gratia Technology, has delivered a wonderful lecture on the various issues of cybercrimes and the knowledge required to counter those threats. All the faculty members and about 300 students attended the workshop.
