<b>Metric No.5.3.2.1</b>	<b>Number of sports and cultural programmes in which students of the Institution participated year wise during last five years</b>
<b>Sports and cultural events orgorganized by the institution</b>	

## ANNUAL SPORTS REPORT 2018-19

Sports and Cultural events are an integral part of the total education system. They help in attainment of the ultimate aim of education i.e. the achievement of holistic development. Games and Sports play a vital role in the student's life. Games and sports are important to maintain a healthy life both physically and mentally. It keeps a person mentally fresh and focused. It helps develop team spirit and good coordination among teammates. Games and sports are important in a student's life because it helps in developing concentration power in a child and develops a sense of responsibility and dedication in them.

Along with bookish learning, a student should spend his time on games and sports also. Being involved in sports teaches various interpersonal skills such as patience, communication, leadership, punctuality, accountability, teamwork, trust, and others which helps not only to win a particular sports competition but also grow and achieve success in life.

Cultural events can help social skill development and help to explore innate talents, and create creativity. The diversity of talent, socio-cultural variety amongst the student community representing the different communities of our country is a showcase of the nation's cultural diversity.

For attainment of these goals Sonari College organizes a College week every year with Inter-department tournaments for students as well as some sports activities for staff (teaching and non-teaching). It is one of the largest co-curricular activity programs of the college that offer an extensive opportunity to all the students and staff. This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and tests one's physical capability. These competition also offer a break from the daily routine tasks and recreate or re-energetic them.

From the beginning of session our college allots practice sessions for the students in various indoor and outdoor activities and they work tirelessly in the hope of winning trophies for the fame of our college.
