Thank you.

As an alumnus, I've always appreciated the education and experiences I gained at our prestigious Sonari college, and I am grateful for the opportunities the institution provided me. I continue to feel proud to be part of the college community and look forward to seeing the institution's continued growth.
Thank you

I am verry Happy

Good

No . Thank you

Really satisfied

Proud of my college

Satisfied

The education structure is much better. The surroundings of the college are very beautiful. It helps them to advance in other fields besides book education.

Yes it is most important things of every college

Thank you

All about is satisfied

Scientific laboratories with advanced equipments and projectors are urgently needed. Classroom infrastructure is not well maintained. Classroom infrastructure should be improved.

All class room should be digital.

The library needs more books and the library needs a place to sit and read books.
