### DIVYANGJAN POLICY

#### INTRODUCTION

Education is critical for improving life prospects of persons with disabilities. The Constitution of India guarantees freedom, justice, dignity and equality of all citizens, including persons with disabilities without any discrimination which implies an inclusive society for all. The National Policy for Persons with Disabilities adopted in 2006 recognizes persons with disabilities as valuable human resources of the country and seeks to create an environment that provide equal opportunities, protect their rights, inclusive education and full participation in society. The Rights of Persons with Disabilities (RPWD) Act 2016 prohibits discrimination against individuals with physical and mental disabilities. Sonari College established in 1970, is committed with all stakeholders in joining the mission to uphold the philosophy of inclusion in principle and practice and make the 3 pillars – inclusive, barrier free and right based education available. The college will comply with RPWD Act 2016 and will follow all rules and regulations of the Union, State Government, UGC and other agencies as formulated for the Welfare of the Persons with Disabilities.

#### Objectives of the Policy:

- ✓ To establish a positive environment and provide quality education to improve the academic performance of differently abled students.
- ✓ To assure essential guidance and counselling to support them.
- ✓ To install software for Blind candidates.
- ✓ equal opportunity for all rounded development.
- ✓ To prepare a specific information centre and provide human help when necessary.
- ✓ To ensure full participation of persons with disabilities and to provide them To procure instruments and equipment needed and to install washrooms which are disabled friendly and barrier free.
- ✓ To create awareness among public on promotion of higher education for Divyangjans by organizing sensitization programs.
