A Brief Report on Observance of Rastriya Ekta Diwas at Sonari College.

The Sonari College fraternity observed the Rastriya Ekta Diwas on 31.10.2022 to commemorate the birth anniversary of **Sardar Vallabhbhai Patel** as a part the national programme. At 6.00A.M. about 100 students participated in the 'Run For Unity' event from the public play ground to the Deputy Commissioner's office as organised by Charaideo District Administration.

At 10.00 am all teachers, staff members and more than 500 students assembled at the college premise for observance of Rastriya Ekta Diwas. At the very out set the programme coordinator Dr. Chakrapani Patir narrated the contribution of Sardar Vallabhbhai Patel in the context of the making of integrated modern India. The Principal, Dr. Bimal Chandra Gogoi gave a brief speech on the significance of Rastriya Ekta Diwas and Sardar patel's role in nation building. The programme came to conclusion with the prescribed Rastriya Ekta Diwas pledge taken by all members of the college which was read out by the principal.

GREEN AUDIT CERTIFICATE

This is to certifiy that Sonari College, Sonari, Charaideo, Assam-785690 has prepared a Self Study Report for Green Audit of the year 2021. After going through the report, I have visited the college campus and made a study of the various provisions as shown in the report and found everything correct. The college has maintained eco-friendly campus with commendable measures like raising valuable trees, tobacco free campus, management of the waste and rain water harvesting system for collection and conservation of rain water in the building those have come recently. The college also involved in awareness activities on environment and bio-diversity etc. within and out side the campus. In overall assessment of the contribution of the college towards protection of environment is satisfactory.

	wastage of water, water harvesting system has been incorporated within the college premises. • Special attention and emphasis is being laid on the green environment and well maintained lawns and orchid plantation is carried out in the college. • Also, special efforts are being made to make the college campus pollution free by less use of automobiles. • The practice of conducting Annual Green Audit, Water Audit and Energy Audit has been carried out in the college. • The IQAC advices the college authority for improvements made for the preceding years with regard to quality and post accreditation quality initiatives. • The IQAC of Sonari College reviews its teaching and learning process by conducting meetings with the HODs on a regular basis. • The IQAC convinces all the departments to prepare the teaching plan and structures and to maintain record of the student's progression.
2.7 INSTITUTIONAL VALUES AND BEST PRACTICES:	
2.7.1 Institutional Values and Social Responsibilities:	• Initiatives by the Institution for the promotion of gender equity i)Students are safe in in the college as the campus is under 24 hours CCTV surveillance and a security guard checks entry and exit in the college. ii) There are separate common rooms for Boys and girls which are well furnished. Girl's common room has a sanitary napkin dispenser. Working women also have a common room and washroom with sensor light and incinerator. iii) The college constitutes a Women Study Cell, which celebrated International Women's Day and also organised gender sensitization programmes in nearby tea gardens, addressing health, gender related and social issues. The college Anti Ragging Cell, Code of Conduct, Grievance Redressal Cell, Students Unions etc, all ensure gender safety and equity in the college. • The Institution has facilities for alternate sources of energy and energy conservation measures, such as, Solar energy, Biogas plant, and Use of LED bulbs • The college has the following types of degradable and non-degradable waste management systems:

	Solid Waste Management: Solid waste in the form of dry and wet waste, generated in the college campus is segregated in separate bins. The organic waste collected is used for vermicompost production and thus recycled.
	Liquid Waste Management: Liquid waste generated in the laboratories is checked for corrosiveness and disposed of after neutralization. Waste water from toilets, hostels, canteen and kitchens is disposed off through drainage system.
	• Water conservation facilities available in the Institution:
	1) Rain water harvesting
	2) Bore well /Open well recharge
	3) Construction of tanks and bunds
	4) Waste water recycling
	5) Maintenance of water bodies and distribution system in the campus
	• *Green campus initiatives include*
	1. Restricted entry of automobiles
	2. Use of Bicycles/ Battery powered vehicles
	3. Pedestrian Friendly pathways
	4. Ban on use of Plastic
	5. landscaping with trees and plants
	• *Quality audits on environment and energy are regularly undertaken through*
	1. Green audit
	2. Energy audit
	3. Environment audit
	5. Beyond the campus environmental promotional activities
2.7.2 Best Practices:	• ***Students welfare***, *with the objectives of creating a healthy, joyful and educative environment where the students get motivated for their well-rounded development. Sonari is a border, conflict stricken area and most of the students come from an economically weaker background. Poor students are provided with funds. Students are well mentored and counselled by teachers and other professionals. Other facilities for students include library, hostel facility within campus, common rooms to rest. However limitation of infrastructure is a constraint faced while implementing the best practice.*
	• ***Education: Peace and Harmony*** *which aims to create an inclusive society and nurture the students with value based education so they grow as responsible citizens. The students come from a pluralistic society but they learn, study, work and*

13

live together in peace and harmony. Communal harmony, tolerance and national integration are promoted via celebration of festivals, commemorative days and environmental related events and college week celebrations and cultural rallies. All students have equal opportunities irrespective of religion, gender, caste and ability. However political issues are sometimes a constraint faced while implementing the best practice. The beliefs on gender biasness and discrimination are deep rooted in society.

- **Save Tree Save Earth** (Tree Plantation & Environmental Awareness)
- **No to Gender Discrimination** (A Gender Sensitization Effort)

Section III: OVERALL ANALYSIS	Observations (Please limit to five major ones for each and use telegraphic language) (It is not necessary to denote all the five bullets for each)
3.1 Institutional Strengths:	• Cooperation and coordination among all the stakeholders • The college is the hub of plural and multicultural atmosphere • The district where the college is situated is connected with national boundary line of two states, namely Arunachal Pradesh and Nagaland • • Gender- friendly and Eco-friendly campus
3.2 Institutional Weaknesses:	• The college is located comparatively in remote area and far away from national highways. • Most of the students are first generation learners. • Most of the students are from rural areas with poor transportation facilities.
3.3 Institutional Opportunities:	• Cultural and ethnic diversity will help the students to acquire diverse knowledge. • The college has ample potentiality to work in areas of rural poverty, rural employment, rural tourism, rural entrepreneurship, rural empowerment etc. • A huge alumni can be mobilised for institutional development • Initiative on Community Development Programme, Mitigation of boarder conflict and maintain of peace and harmony in collaboration with the two neighbouring states, Arunachal Pradesh and Nagaland • Collaboration with nearby Tea estates for training and employment in Tea industry

Social Audit Report

Of

Sonari College

(With reference to certain financial/non-financial activities from 2018-19 to 2022-23)

A social audit is a way of measuring, understanding, reporting and ultimately improving an organization's social and ethical performance. A social audit helps to narrow gaps between vision/goal and reality, between efficiency and effectiveness. It is a technique to understand, measure, verify, report on and to improve the social performance of the organization. In India, the concept grown with the launch of the programme National Rural Employment Guarantee Act (NREGA) in 2005 which was later renamed as Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA). Gradually, such audit becomes popular in judging the accountability and social responsibility of Governments, different Departments, and Companies pertaining to different activities done for the benefit of the Society. The Educational Institutions also performing various non-profit activities apart from direct teaching & learning. The stakeholders should know the efficiency and effectiveness of doing such activities so that constructive suggestions can be made for the further development of the institution. . Social Audits involve looking into those areas of information, which conventional audit mechanisms and agencies typically do not include. It also involves looking into those areas that official data sources may not collect. These could be either information accessed and brought into the public domain or new information collected from the people. A social audit differs from a financial audit to the extent that the latter explores and assesses financial statements, records and their accuracy. The former, meanwhile, extends itself to qualitative aspects of service or public policy delivery. Hence, it is a broader concept. Further, social audit is usually an internally generated process for it seeks to examine how the stated or intended objectives of the particular institution are carried on.

Activities in Adopted Villages

Sonari College adopted two villages for the upliftment of socio-economic and cultural environment of the people in these villages. The first village was Napuk Village. Later on another village viz. Sonalipam is selected. Principal, teaching & non-teaching staff and the students of the College engaged themselves in different activities.

I.   The NSS Unit, IQAC and Teachers' Unit organized Health Camps, Awareness Camp, and Cleaning Drive.
II. Participated in various cultural programmes organized by the villagers.
III. Gave financial contribution in holding some cultural events.

Suggestions

Apart from direct teaching & learning the effort of the Institution in developing the infrastructure, engaging the students in society related activities, showing its social responsibility is quite appreciable. The development of the physical infrastructure of the College during the last five years is noticeable. The College has utilized its fund in campus development so that some basic needs could be fulfilled. The construction of new canteen building, Boys' Hostel, Library Extension and purchases of books for library, smart and digital board for class rooms are a good step for pursuit of knowledge.

With the vision of making Sonari College a Centre of Excellence, more enthusiastic programmes and policies needs to be undertaken in near future. In view of the National Education Policy, 2020, the College should start more skill-based, value-based programmes. The College needs to prepare an Action Plan so that deficiency of modern class rooms, updated laboratory, digitalization of Accounts, Examination Hall etc. could be met by approaching different funding agencies. The concerted efforts of the college authority and staff will certainly fulfill the needs and dreams of all the stakeholders.
